Can't rat at night with a bad back. A lame, a weak or an aching one. Doan's Kidney Pills are for bad backs.

They cure every form of kidney ills. From common back ache to diabetes. They are endorsed by Bryan people.

L. B. Kern, Bryan, Texas, says: "I cannot recommend Doan's Kidney Pills too highly, as they were of great benefit to me. Sharp pains in my back kept me from sleeping and as the result, I felt miserable. The kidney secretions were also too frequent in passage, in fact, I had but little control over them. Doan's Kidney Pills, procured from Emmel & Maloney's drug store, stopped the pain, strengthened my kidneys and brought results that were gratifying in every way."

For Sale by all dealers. Price 50 cts. Foster-Milburn Co., Buffalo, N. Y. sole agents of the United States.

A Story of Stevenson.

After one of Dumas' plays which he saw presented in Paris and in which a man employs an unworthy stratagem against a woman Robert Louis Stevenson wrote:

"I came forth from that performance in a breathing heat of indignation. On the way down the Francis stairs I trod on an old gentleman's toes, whereupon, with that sniveling which so well becomes me, I turned about to apologize and on the instant, repenting of that intention, stopped the apology midway and added something French to this effect: 'No. You are one of the persons who have been applauding that piece. I retract my apology.'"

"Said the old Frenchman, laying his hand on my arm and with a smile that was truly heavenly in temperance, irony, good nature and knowledge of the world, 'Ah, monsieur, vous etes bien jeune' (Ah, sir, you are very young.)"

No Danger.

CITY SCHOOLS.

Some of our pupils are slow about recovering from the effects of so many nights at the tent show.

Parents are respectfully reminded that irregular attendance and going out nights means poor work, dislike for school, and probable failure.

Requests for dismission should be presented by 9 o'clock in the morning, so as not to take time and attention during the day. In a good school everybody is busy and a recitation should not be stopped by a call for some one, unless the case is unforeseen and urgent. Give us a chance to do our best for your child.

Do not call for children to come to the telephone. Just as well stand out at the street and talk to passers by during study hours, as to stand at the telephone, and talk to people during school.

Both male and female teachers can be found at any public school, and they can deliver any proper message, to any boy or girl.

If there is anything a lady teacher could not attend to, call a man. That is one reason why each school has at least one man always present.

Excuses for absence and tardiness should state the reason why, so that records can be properly kept.

Advanced pupils have certain night work assigned them, and parents are urged to see that it is done.

The habit of faithfully and honestly doing his work should be required of every child as a religious duty.

All these disagreeable accessories of the demon catarrh will disappear, and as they go the glow of health will return, and all the strength and energy that was formerly used in combating the invasions of catarrh will bring back your vitality and ambition, will make a new healthy, happy being of you in a few weeks.
